- S** Starting from Coracle Hall, turn L and walk downhill on the footpath. Cross the road just before the 7 Stars pub and you will see a waymarker post - go down the track. There is a gate on your L, go through this and head down Myrtle Hill to a stile on a tarmac lane where you turn L and head towards the bridge. Turn L and walk across the bridge and then turn L along the road, continue along the road towards Manordeifi Church which will be on your L. This 14th Century Church is open and well worth spending some time exploring.
- 1** Once you have finished exploring, come out of the church grounds and turn R and head back along the road you came down until you come to the T Junction. At the junction turn R and walk back across Llechryd Bridge. Once across the bridge, turn L and then turn R over the stile up Myrtle Hill, once you are at the main road, turn L and head along the pavement back to Coracle Hall.
