

## Barns Farm Loop

Cracking views towards Brecon.

Tarmac and fields, some rocky singletrack. Can get very muddy.

Enjoy this ramble? There are 145 Paths to Wellbeing routes to explore across Wales!

- S** Starting from Grosmont Community Hub (with the building behind you), go R down the main road until you reach a small road on the R after the church. Head down this road until you reach a descending rocky path to the bottom of the valley where you will cross a wooden bridge to then go through the gate ahead and up the steep tarmac road towards Barns Farm.
- 1** At Barns Farm, cross the yard and continue past the cottage on your L, through the gate and turn L, going through the new kissing gate and head diagonally up towards the second kissing gate. Pass through this gate and keep to the lower side of the fields as you pass through a series of gates. As you reach the last field look L to cross a stile and a small bridge over a drainage ditch.
- 2** Once over the ditch, the path heads down towards a stile next to a small house, cross this stile, being mindful of the steps on the other side and turn L. Following the path down next to a barn the path emerges in another field, head past the oak tree and towards the scrub where you will see a waymark post that guides you across another wooden bridge and into the next field.
- 3** From here you will cross a series of field stiles as you head directly down towards the road where you will turn L and follow the road over the stone bridge and up the steep hill to bring you back into Grosmont.
