Starting from the Bandstand in the Llanybydder Rugby Club car park head onto Bridge Street turning R. Pass the Old Bank House on the L and cross the road bridge over the River Teifi. Both a Special Area of Conservation (SAC) and Site of Special Scientific Interest (SSSI) the Teifi is famous for its Sewin (Sea Trout) and Salmon fishing. Turn L at the finger post and continue through the gate ahead. Sheep commonly graze this small field, please ensure gates are closed. Turn R through the second gate and follow path to main road (B4337).

1

Turn R and head along road taking care to keep to grassy verge. At Gwalia Garage turn L and follow the stony/muddy track around to L. Continue ahead for 0.19 Miles / 300m until reaching farm buildings ahead. Follow waymarking to the R of the buildings entering fields. Continue along the fence line turning R through the gate after crossing a small stream. Follow route along fence line, bearing R then L onto wide grassy track. Passing unused old stiles continue ahead for a short distance (0.27 miles / 430m) until reaching a gate.

2

Turn R onto minor road and follow this downhill, passing houses, to a T-junction. Turn R along B4337 initially keeping to the pavement. After a short distance there is an approx. 0.25 mile / 400m unpaved section of road to navigate, please take extra caution along this stretch. Rejoin the pavement at the houses and continue following the road downhill to the roundabout. Bear R along the B4338 passing the Gwalia Garage on the R. Turn L at the finger post, going through the gate onto the tarmac path.

3

Follow the path heading through gate on L, re-tracing your earlier route. Exit through gate ahead onto Bridge Street turning R to cross the Teifi. Continue along road returning to the car park and start of the route on the L. You may wish to explore the village further visiting Grade II listed St Peter's Church and Evans Bros. Estate Agents, Valuers & Auctioneers, a family business founded in 1895, the famous horse market and livestock auctions are held here.
