Gan gychwyn o Draeth Porth Diana (ger y maes parcio lansio cychod), croeswch y ffordd a dilynwch y llwybr ag arwydd arno gyferbyn â'r rhwystr concrit. Ewch dros y gamfa goncrit a throi i'r Dd i fynd drwy'r gât bren ar ymyl y cae. Mae hyn yn eich arwain i Warchodfa Bywyd Gwyllt Porth Diana, ardal o laswelltir a rhostir sy'n adnabyddus am ei hamrywiaeth o blanhigion a'i rhywogaethau prin. - S** Starting from Porth Diana Beach (just by the boat launch car park), cross the road and take the signposted path opposite the concrete barrier. Head over the concrete stile and then turn R to head through the wooden gate at the edge of the field. This leads you into Porth Diana Wildlife Reserve, an area of grassland and heathland habitat known for its plant diversity and rare species. Follow the path through the reserve and you will find an interpretation panel with more details about the species found there.
- 1** Follow the path until you reach a playing field. Continue straight across the field and into the caravan park over the bank ahead. Take the grassy path to the R (as opposed to the track leading off to the L). Cross the road and continue through the kissing gate along the signposted path. This will lead you past a pub and to a campsite. Turn R here to follow the road past the static caravans. You'll come to another signposted path at the end of this road. Follow this straight ahead. You will eventually come to a gate, head through this and follow the path uphill to the R. At the next fork, turn L and follow this path.
- 2** At the first opportunity to turn R and curve toward the coast, head for the wooden gate in this direction. Before reaching this gate turn R and follow this path to meet the Wales Coast Path. Follow the Wales Coast Path back to the start destination.
