Starting from Coracle Hall, go through a small gate behind the toilet block into a field. Follow the track keeping the farm buildings to your R and head diagonally up the field. Turn R then immediately L at the gap, heading to a stile into a lane by a small cottage. Turn L and follow the tarmac lane down a steep hill to two former watermills. The leet that powered these can still be seen. The lane continues to a junction with a B road. Head straight across into a stony lane.

1

Just past the end of the house and down a hedge lined path, a stile brings you into a field. Head L towards the farm and go through the farmyard via two gates. Keep the farmhouse to your R and head straight on, turning L onto a concrete driveway. Follow this up past a house to a tall stile at the top corner of a small meadow. Keep the hedge to your R and at its end, head L uphill to the top of the field and over the stile by a farm gate (great view across the Teifi valley and beyond to the Preselli hills here).

2

Follow the hedge line and through two gates to a 12ft. wide gate leading into a farm access road - turn R. Turn L into the farmyard. Keep the farmhouse on your left and follow the hedge line into the top of woodland. Follow the path to a stile and over this into the bottom of a field. Keep the woods on your R for 50 yards. then head up the field to a small stile and turn L onto a farm access lane.

3

At the road junction, turn L then immediately R into a small tarmac lane. Keep straight till the road dips down to a narrow bridge over a stream. 20 yards past the bridge, take the gravel access lane to the L and follow it to a small farm. Keeping the farm to your L, head up to a stile and turn L then through two small gates close together and head for the stone barn across the field.

4

Go round this barn, keeping it to your L and into a hedge lined track. Follow this past cottages to a junction with a tarmac lane. You are now back on familiar ground and can retrace your steps back to Coracle Hall.
