Mae Cyngor Sir Ddinbych wedi creu dau lwybr Milltiroedd Cymunedol, sef Llwybr Coed a Chreigiau a Graigfechan. Mae'r ddolen i'r taflenni i'w gweld yma <https://www.denbighshirecountryside.org.uk/milltiroedd-cymunedol/>. Nod y llwybr hwn oedd creu llwybr cyswllt ag arwyddyst sy'n caniatâu i chi uno'r ddua gyda'i gilydd yn ogystal â gwella'r llwybrau troed sy'n croesi llawr y ddffryd.

S Yn y man lle mae'r llwybr glas yn troi'n sydyn i'r Ch ac yn anelu'n ôl tuag at Lanfair DC ewch dros y gamfa ar y Dd sy'n arwain i gae. Bron ar unwaith ewch dros y gamfa ar y Ch. Ewch yn syth ymlaen heibio hen goeden fawr ac ewch dros y gamfa o'ch blaen. Ewch yn syth i fyny'r cae at y gatiau dwbl ac yna'n syth dros y trac. 10m y tu hwnt i'r trac ewch dros y gamfa. Anelwch ychydig i'r Dd ar draws y cae nesaf at gamfa fetel. Yn syth o'ch blaen, gan gadw'r gwrych ar y Ch mae gât i'r Dd o'r tai sy'n arwain at lôn.

1 Pan fyddwch yn cyraedd y ffordd fawr trowch i'r Ch ac yna'n syth i'r Dd ar ffordd fach. Cymerwch y troad cyntaf i'r Ch ger Capel y Fferm. Mae pedair camfa yn arwain y ffordd ar draws y caeau nes dod allan ar y lôn yng Nglan yr Afon. Yng Nglan yr Afon trowch i'r Dd gan groesi'r hen bont a dilyn y llwybr at y nant. Gan gadw'r nant ar y Dd, bydd y gatiau i gerddwyr yn eich arwain at drac wrth ymyl ychydig o dai. Yn fuan wedyn, mae gât yn mynd â chi at lwybr wrth ymyl y nant. Peidiwch â chroesi'r bont. Cadwch i'r Ch drwy'r ail gât gyda'r nant ar y Dd.

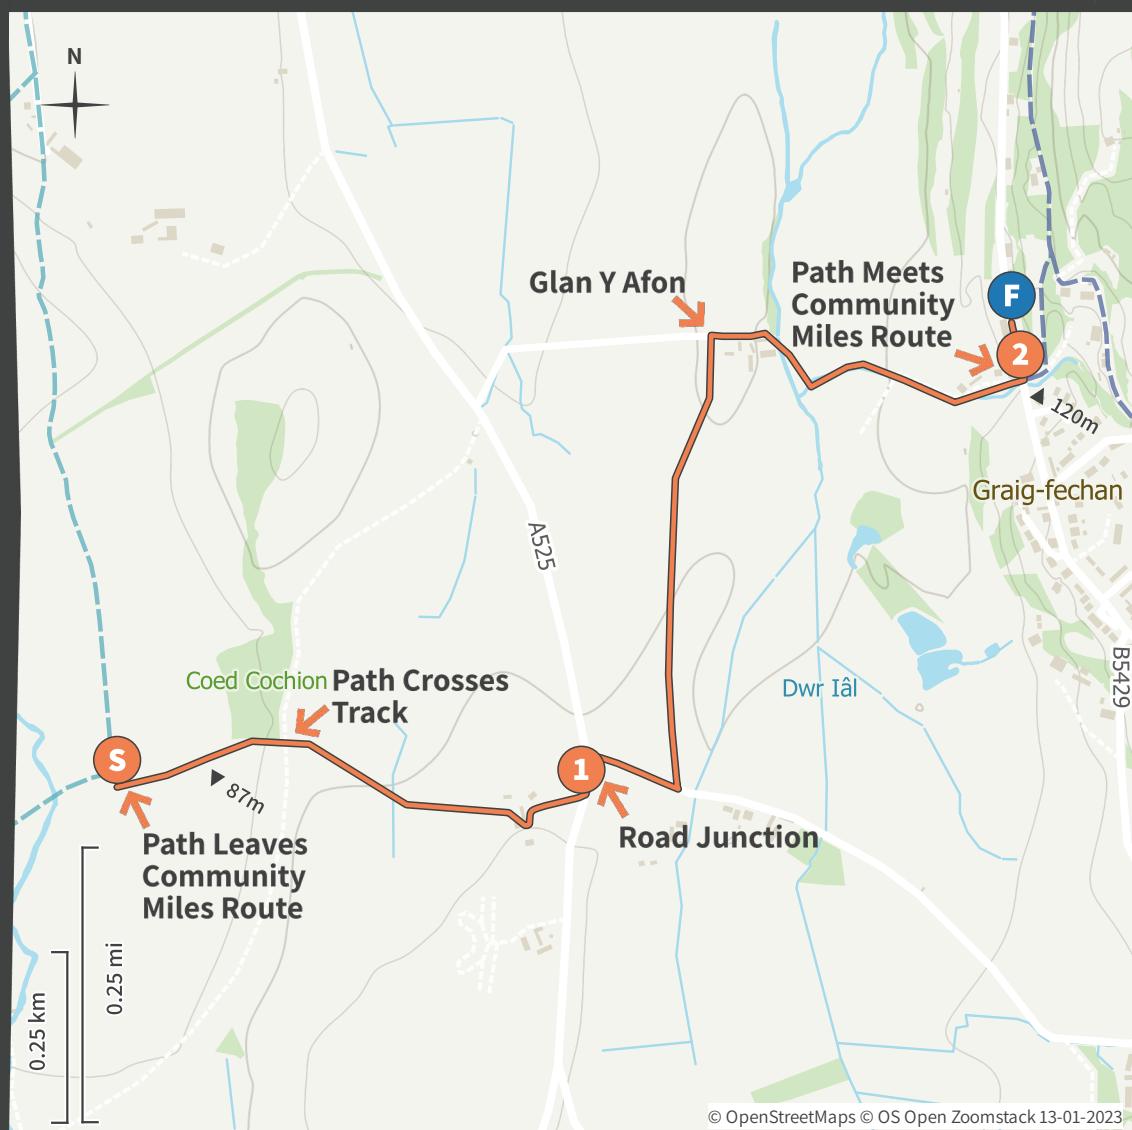

2 Pan gyrhaeddwch y ffordd rydych wedi ymuno â llwybr milltiroedd cymunedol Graigfechan a gallwch ddewis ei ddilyn yr holl ffordd i Foel y Gelli i ymuno â Llwybr Cenedlaethol Clawdd Offa. Fel arall, drwy droi i'r Ch fe gyrhaeddwchdafarn y Three Pigeons i gael seibiant a lluniaeth.

Link Path B

A link path between the Community Miles routes.

Fields with one major road crossing.

Enjoy this ramble? There are 145 Paths to Wellbeing routes to explore across Wales!

Denbighshire County Council have created two Community Miles routes Wood and Rocks Walk and Graigfechan. The link to the leaflets can be found here. <https://www.denbighshirecountryside.org.uk/community-miles/> The aim of this route was to create a waymarked link path that allowed you to join the two together as well as generally improve the footpaths that cross the valley floor.

S At the point where the blue route turns sharp L and heads back towards Llanfair DC take the stile on the R leading into a field. Almost immediately take the stile on the L. Go straight ahead past a large hollow tree and take the stile in front of you. Follow straight up the field to the double gates and go straight over the track. 10m beyond the track cross the stile. Head slightly R across the next field to a metal stile. Straight ahead, keeping the hedge on your L there is a gate to the R of the houses leading onto a lane.

1 When you meet the main road turn L then immediately R onto the minor road. Take the first L by Capel y Fferr. Four stiles lead the way across the fields until you come out on the lane at Glan y Afon. At Glan yr Afon turn R crossing over the old bridge and following the path to the stream. Keeping the stream on your R pedestrian gates will lead you to a track by some houses. Shortly after a gate takes you to a path next to the stream. Do not cross over the bridge. Keep left through the second gate with the stream on your R.

2 When you reach the road you have joined the Graigfechan community miles route and can choose to follow it all the way up Moel Y Gelli to meet the Offas Dyke National Trail. Alternatively Turning L will see you arrive at the Three Pigeons Pub for a rest and refreshments.
