Turn R and pass under the railway bridge. Take the next L down Harrow Road. Almost immediately turn L down Marlborough Road. Continue along this road and turn R down the 2nd road on your R (Oriel Road). Continue straight, leading you either through or around Jubilee Gardens.

Continue straight down Malvern Road to then where the road turn into a T junction. Straight across the road there is a path behind the bus stop. Cross the road safely (using the island crossing on your R) and head down this path. You will eventually come out onto Rodney Road. Here, go straight ahead across the road to the riverside path. When at this path turn R and continue walk alongside the river toward Newport Bridge.

When you meet the bridge, follow the path which takes you onto Clarence Place. Turn R here and cross over Rodney Road. Continue in this direction and pass over two crossings (taking you over Corporation Road).
