S

Starting from Grosmont Community Hub (with the building behind you), go R down the main road until you reach a small road on the R after the church. Head down this road until you reach a descending rocky path headed to the bottom of the valley where you will cross a wooden bridge to then go through the gate ahead and head up the tarmac road until you reach a small wooden bridge headed R across the field to a stile, cross this and keep the hedge on your right as you follow it around to the next field continue along the hedge until you reach a path headed R and over a wooden bridge.

1

Once over the bridge turn L and follow the road until you reach a fork. Take the R hand fork and continue on the road until you reach Highfield lodge. A path to the R of the driveway will take you over a stile and into a field. Keep the hedge on your L as you head downhill and reach a track where you pass through a farm gate, there will then be a stile on your R. Go over this stile and keep the hedge to your L. Once you are past the house turn R, headed directly across the field towards another stile.

2

Once over the stile, head through a heavily wooded section, across another stile and into the field beyond. Cross this field keeping to the L, through a farm gate away from the farm machinery. Take the lower L hand path bending round to the R, through a gate that will bring you out at the fork in the road you passed earlier. Head back the way you came up the road, past the previously crossed bridge, continue on the road until you pass a farm on your R. Keep going until you see a stile on your L and cross into the field.

3

Head up the hill to the R across the field and through a gap in the fence until you reach another stile. Cross this and head straight on over the track. The path will curve L until it reaches a stile on your R, cross this and head R along the hedge and directly straight across the field towards another stile. Cross this and head along the track amongst the houses and towards the main Grosmont road, head R and return to the centre of Grosmont.
