Starting from the Ucheldre Centre, follow the road downhill and past the bollard, then turn R into the alley leading to Edmund St. Follow Edmund St until you reach the pub and then cross the road to continue on Hill St. Just past the car park, take the footpath signposted to your R towards the church, then turn L on to the High Street. Follow the High street until you reach the coast path and then follow the coast path through Swift Square to the Church.

1

Walk through the churchyard and continue onto to the High Street. You'll pass a blue archway with mosaics and information about the history of Holy Island. You may wish to detour onto the bridge from here (a good place to spot guillemots and other seabirds). To return to the Ucheldre Centre, stay on the High street and then turn R at the anchor statue to head uphill. Turn L at the Branch Pub onto Edmund street, and then R into the alley leading back to the Ucheldre.
