Starting from Tanybwchl Car Park, walk along the path at the top of the beach keeping the Ystwyth river to your L and the beach to you R. Follow the river and the path around to the L, heading away from the beach, keeping the river on your L. Continue along the path along the edge of the river with the farmland on your R. The path meanders with the river and steadily bends around to the R. You will eventually come through a pedestrian gate leading onto a road.

Turn R onto the road, be mindful to not head up the track here. Continue to follow the road for a short while and turn R at the fork in the road towards Plas Tanybwchl. Continue along the lane until you come to a signpost which takes a R leading onto a footpath. Follow the footpath until you come to the coast and Tan Y Bwlch beach. Go through the gate and onto the beach and then turn L. Make your way back across the beach to arrive back at the car park.
