Starting from Maes Offa in the village centre, with your back to the entrance gate, turn L along the main road. Take the first turn on the R heading up the hill. When the road takes a sharp bend to the L follow the footpath sign to the R. The track will shortly take you to a stile. The path goes uphill quite steeply. After the fourth stile you emerge near Ffron farm and join a bridleway heading up the hill.

1

Follow the bridleway which is on the R of the field until the first stile on the R. Cross here. Very soon there will be a stile in the trees on the L. Cross this stile and continue up the hill. There will be a craggy area on your L and fantastic views to your R. One more stile will see you arrive at Rhiwrob, home to lots of Jacob sheep. Take the gate on your R just before the first buildings. This is a pleasant track that you then follow all the way until meeting the road again.

2

When you meet the road turn R and head downhill all the way until you return to the village. When you arrive at the junction with the church/pub and Post Office turn R and you will soon be back at the start.
