S Starting from Penrhyneddraeth train station, head west along the road (keeping the tracks on your L) until you reach a level crossing. Cross carefully onto the gravel path.

1 Follow the main path until you reach an abrupt R turn, leading along a small embankment towards a wooden fence. The footpath here can be difficult to spot, but cuts diagonally across the marsh towards a wooden stile at the fence line. Take this path towards the stile instead of walking along the embankment.

2 Cross the stile and follow the path uphill towards the level crossing. Cross carefully here and continue uphill. The path will lead to a play park adjacent to a housing estate. Follow the track which heads past the park and slightly L towards the main road.

3 Turn R at the main road, and then R again onto Cambrian view to return to the start location.
