Starting from St Gwynan's church, follow the tarmac footpath past the graveyard. At the end of this path, turn R to follow the coast path. Continue ahead onto Old Mill Road until you reach a stone bridge with a metal signpost. Turn R here to follow the Wales Coast Path slightly uphill along a gravel track.

**1**

At the end of the track, turn L onto Conwy Old Rd. From here, you can either continue along the road or detour uphill to Picton Woods. For the flatter route, continue along Conwy Old Rd, taking the second signposted path on your R.

**2**

For Picton woods, take the stone steps uphill from Conwy Old Rd, (which will be adjacent to a detached white house on your L a short distance along Conwy Old Rd). This path will lead you through a wooden kissing gate, a small woodland, and up towards a white cottage. Turn R here and follow the path along through the woods, taking the next path on the R (beside the hotel) back down to the road.

**3**

Head through the kissing gate and across the golf course. After exiting the golf course, take the path ahead of you, crossing Old Mill Road. Turn L and then L again to return to the start location beside the church.
