Starting from Llyfргell Maindee Library, turn R and Head under the railway bridge until you reach Harrow Road. Take this road and head all the way down until you reach Corporation Road. Turn L here and continue down the road until you see a right turn next to a mural. Follow this down past the primary school until you reach Rodney Road. Turn R and then immediately L and head towards the bridge. Turn L before the bridge and walk along the river until you reach Spytty Pill and come out onto Corporation Road.

1

Turn R and follow the road around to the R as it leads up towards the bridge. Before crossing the bridge drop down onto the walkway and continue into the small nature reserve of Spytty Pill where there are great views of the river. Return the way you came and head back up the walkway and turn R and cross the bridge until a small path leads back down towards the river. Follow this and then turn L and walk along the landscaped route back up the river. Continue until you reach the footbridge back over to the other side.

2

Continue straight as you return towards Llyfргell Maindee Library using the same route you began the walk with.
