- Starting from Coracle Hall, turn L and walk downhill on the pavement. Cross the road just before the 7 Stars pub and you will see a waymarker post - go down the track. There is a gate on your L, go through this and head down Myrtle Hill until you come to a stile on a tarmac lane where you turn R. Follow the road with cottages on your R. The lane then turns sharp R up a steep hill. Don't turn and carry straight on for 30 yards to a small gated entrance to the Maidie B Goddard Nature reserve. There are information boards here.
- Enter the nature reserve where there is no waymarked path. Just explore your way upwards and through a small wooded stream valley to eventually arrive at a gate into a lane which is in the top right hand corner. If you come to the fence before this gate turn R and follow the fence line until you arrive at the gate. Go through the gate and turn R to rejoin the lane, heading downhill.
- Continue down the hill on the road until you come to a T junction where you turn L and will rejoin the road you started on. Head along this lane past the cottages on your L and then turn L over the stile up Myrtle Hill. Once you are at the main road, turn L and head along the pavement back to Coracle Hall.
