

Castle Walk

A pleasant stroll around a wonderful castle.

Grassy underfoot, can be a little muddy after heavy rains.

Enjoy this ramble? There are 145 Paths to Wellbeing routes to explore across Wales!

Circular

0.5km | 0.3m

- Starting from the Grosmont Community Hub (with the building behind you), turn R and head down the road. Turn L at the white signpost for the castle, head past the information boards and through the gate.
- Continue across the front of the castle towards the picnic benches underneath the oak trees, go down the small hill and head L up the hill with the castle on your L.
- At the top of the hill turn L again and head across the grass behind the castle until you see the back of the houses, in between these houses is a small track, head through here and turn L, which will bring you back to the centre of Grosmont.
